Dear Sir/Madam

**Collaboration between the University of Gloucestershire and the London Examinations Board**

This is to confirm acceptance by the University of Gloucestershire of graduates with a Level 3 Advanced Diploma in Higher Education (“ADL”) awarded by London Examinations Board to an appropriate bachelor’s degree with the University of Gloucestershire.

Candidates who have been awarded an ADL and who meet all the other requirements of the University of Gloucestershire shall be accepted on a bachelor’s degree offered by the School for Business, Computing and Social Sciences depending on the electives chosen for the ADL and as approved by the University of Gloucestershire

As part of the entry requirements, University of Gloucestershire Course Leaders may also require applicants to arrange and complete an informal online meeting. This online meeting is intended to provide applicants with further information about the course they wish to study and for the Course Leaders to explain the expectations of students wishing to study their programmes.

The information contained in this letter can be shared with eligible and prospective students and appointed centres of London Examinations Board.

Yours faithfully

Professor Dr. Cathia Jenainati  
Head of School for Business, Computing and Social Sciences
